

CHICOPEE BROOK FLOOD RESILIENCE IMPROVEMENTS

WE WANT TO HEAR FROM YOU!

Monson received a Municipal Vulnerability Preparedness (MVP) Action Grant to model current and future projected flood conditions to identify anticipated floodplain impacts along Chicopee Brook and develop concepts for key flood resilience projects along Chicopee Brook. The **concepts have been developed for key flood resilience projects along Chicopee Brook** including Bliss Street, Bunyan Road, Veteran's Field & Cushman Field.

Please **scan the QR code below** to **view the concepts** from the Public Walkshop and **provide your feedback**.

To learn more about the project, contact Toni Uliana at tuliana@monson-ma.gov or (413) 688-0022
